WANTED!

Material for the Antenna

Kit Reviews, Articles, Modelling Hints and Tips, and other newsworthy modelling items for publication in the Antenna. Contact Al via email at magnusfamily@cableregina.com or via phone at 789-9017 evenings and weekends.

Publication of the Antenna is usually the week of scheduled general meetings. If you have time sensitive information to pass on, please try to get it to the editor at least one week before the next general meeting. Copies are emailed once the Antenna is complete. Postal mailing will be done following the general meeting.

Raffle Prizes

Kits, decals, books, etc. donated by you for the club raffle. Raffles happen at every regular meeting (dependant upon donations). Raffle tickets are \$1.00 each. Bring your donations with you. Thank you.

Glue Crazy

Well, summer is fast approaching and the great outdoors are beckoning me again. Those bugs must need fresh meat or something. It's this time of year that building models seems to slow down, but you know if we did a little bit each night we can accomplish lots.

I thank all those who chose to participate in the club contest and I wish to congratulate all, as a great effort was shown to show our best.

I wish to welcome the new members and the new old members who have joined our club in the last two months. I have received an application from a father and son team from Estevan who will be joining us shortly.

The June meeting is the meeting where we elect the executive for the upcoming term so please come to the June meeting to cast your vote. I am stepping down and Kevin is also not running this year, so that leaves two positions to fill so get your nominees ready and lets get this done. Al Magnus will be running for secretary-treasurer and Colin Kunkle has agreed to take over editor of the newsletter. Please consider the positions carefully, I have enjoyed being your president but feel it is time for someone else to take over the helm.

It was brought to my attention that in the last newsletter that I had talked about Capital Pontiac and Thunder City being our major sponsors for The Majestics and Expo, while they are sponsoring in a major way I did not mean to exclude all of the other sponsors who support us as well. No slight was meant or intended. All our sponsors are very important and certainly deserve to be recognized. To this end again this year at Expo we will have the sign board very prominently displayed at the front entrance with all the sponsors names listed in alphabetical order as we did in 2004. I think this is

fair to all and shows our appreciation to them as well.

I guess the new president will be coming up with a new name for this monthly blurb but until he officially takes over, there will still be a "Glue Crazy".

See you June2/06.

Curfew James.

May 5, 2006 General Meeting

In attendance were Larry Draper, Michael Evans, Ed Kereluk, Neil Hill, Brian Izumi, Curfew James, Leith James, James Lory, Al Magnus, Ted McPherson, Michael Phillips, Dave Porter, Dave Schmidt, John Seitz, Carter Smith, Gene Stacyszyn, and Kyle Stevens. We also picked up three new member this month. Joining the club was junior member Michael Phillips, intermediate member John Seitz and adult member Brian Izumi. Michael is an automotive modeller, John says anything is of interest to him, and Brian lists his interests as 1/35 armour and 1/72 USN/USMC aircraft.

As is usual, the May meeting is the club contest. We ran a bit behind schedule for this year's contest. The birthday party that had the room before us did not put away their toys and play structures, so we had to move all of that out of the way before we could set up the tables and chairs.

All in all, we had 12 contestants, with 33 entries in total. Below is the list of category winners for the Club Contest.

Walking away with the major modelling awards for the night were, Ed Kereluk (Best Auto), Larry Draper (Modellers' Choice), and Dave Porter (Best Aircraft and Best Armour).

As for the Modeller of the Year award, this year's recipient was Len Schmidt. Len has served on most of the club's executive positions, has done a lot of behind the scenes work on the organizing and judging system of all our contests in the last number of years, attends most of the exec and general meetings, builds models and his modelling has been steadily improving. On top of this he's a nice guy and can be counted on to always give a helping hand.

Curfew also presented Gene Stacyszyn with a '29 Ford pickup kit that he has instructed Gene to have made by Expo 2006. This exchange was brought about by Gene's earlier gift of a 1/16 scale Bandai Thomas Flyabout to Curfew back in 2005. Curfew set about constructing the Flyabout with the goal of having it ready in time for the Majestics competition. The Flyabout appeared regularly at the general meetings as Curfew progressed through the build and it did make it in time for Majestics. Now it looks like the shoe is on the other foot, and I'm sure everyone is looking forward to see how Gene makes out with the pickup. Will we see it at Expo this November? Only time will tell!

June 2 General Meeting Agenda

1. Club elections.
2. Expo volunteers needed (signup sheet to be passed around).

Regina Flying Club display

The club will be setting up a display at the Regina Flying Club's annual open house. If you are interested in putting something in the display, please contact Dave Porter at dporter@norantel.com or at (home) 545-2571 (work) 721-3535.

New Executive for 2006-2007

Don't forget during the June general meeting we will be electing the RSM executive for next year. As mentioned in the May Antenna, we will at a minimum need to elect a new president, as Curfew will be stepping down as president to become the Auto SIG representative, and we will need to replace Kevin as vice-president. Remember that the positions will run from the first of September 2006 to the end of August 2007.

We do have a couple of members willing to let their names stand for the other executive positions. Colin has indicated that he would like to try his hand as the Antenna editor, while yours truly is willing to move on and give secretary treasurer a try.

Monthly Themes

We are still looking for more themes to add to the general meeting rotation. So far there have been but a few suggestions, so if there is a theme you would like to see added, please direct them to Len Schmidt at lschmidt@norantel.com or at (home) 543-1704 (work) 721-3535, or contact any of the executive.

Last Reminder

The RSM modelling year is about to draw to a close and that the draw for the \$25 gift certificate to Red Line Hobbies for original articles will be made in September. As of this printing there are but five names in the draw drum.

Mission accomplished!

The awards for this year's Expo have all found sponsors. The executive would like to thanks all those who pounded the pavement and signed up sponsors. This is the earliest that this has been accomplished. Usually we are still signing up sponsors just a few weeks before the Expo, so it's kind of nice to see this done early.
