## Glue Crazy

Well its that ghosts and goblins time again. So far we have been lucky not to have had any snow, but we all know that's not too far behind.

Again we are at the mercies with circumstances beyond our control. The City unions have preempted everybody that was booked for the South Leisure Centre and taken over the building on Nov. 4/05. This is our regular monthly meeting spot but once again we have had to seek other locations for our venue. Again we have been fortunate to be able to get accommodations at RUSI. Al has a report on this in the Antenna.

As we approach the winter season thoughts turn to those projects we had intended to do but just didn't seem to have time for. Well now is the time to start building for EXPO 2006. Get started now so you aren't rushed to complete your project the last two weeks before the show.

We are already in the planning stages for next years event and will keep you the members informed at the GMs as well as in the Antenna.

We are fortunate to have several guest speakers willing to address our group in the new year. Although these are mainly military people, I witnessed a lot of enthusiasm and attention from our non-military builders and think that a lot can be gained by listening to these veterans. There are fewer surviving each year so it is important to honor these people for giving of themselves so that we can enjoy the level of democracy in this country of Canada. Purchase a poppy and wear it proudly in Remembrance. "Lest We Forget".

It was nice to see the amount of kits that were on display at the last GM. Keep up the good work. Well that's about all from my desk to yours. See you on Nov. 4/05, and please remember Nov.11 and the freedom we have by the sacrifice of so many of our military, past and present.

Curfew James.

## **October 14, 2005 General Meeting**

I guess absence makes the heart grow fonder, well for plastic modellers anyway. The city strike forced the cancellation of the September GM, but the amount of plastic on the tables for October definitely compensated for what was missed in September.

In attendance for October were Richard Abday, Cam Barker, Ryan Cunningham, Lee David, Patrick Elkington, Michael Evans, Neil Hill, Curfew James, Leith James, Dave Kapp, Ed Kereluk, Kevin Kreinke, Colin Kunkel, James Lory, Gordon MacDonald, Al Magnus, Chris Martin, Ted McPherson, Neil Ostafie, Dave Porter, Dave Schmidt, Gene Stacyszyn, Bob Stocks and Frank Turgeon.

## **November GM Change of Venue**

Well, I thought our scheduling troubles were done with once the City and its unions settled their contract dispute, but I was wrong. Apparently the city unions have booked the South Leisure Centre in its entirety on November 4, which forced us to once again look for a different venue.

For November 4 only (I hope) the RSM general meeting will be held at the RUSI at 1660 Elphinstone St. (I'm told RUSI is the white building just south of the Armouries on Elphinstone) at the regular time of 7:30pm.

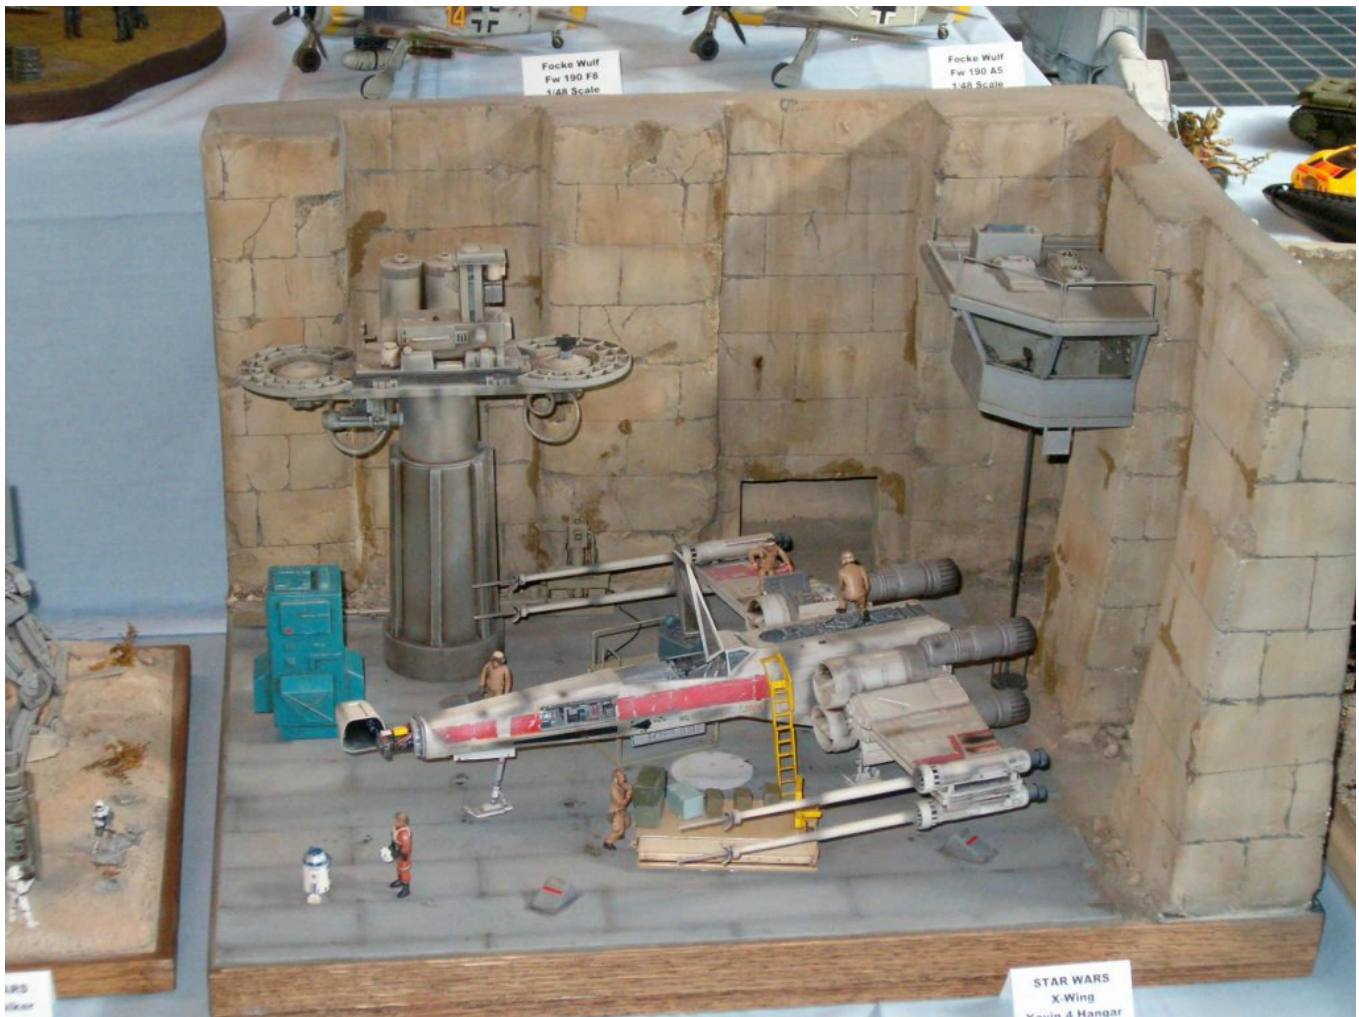

## **Remembrance Day Displays**

RSM members are invited to participate in the two planned Remembrance Day displays. The first will be held at the Wascana Rehab on November 10. Setup will be around 10:00am. Attendees will be served lunch.

The second will be held at the RUSI, 1660 Elphinstone St. on November 11.

Contact Michael Evans at michael.evans@sasktel.net or 791-0326 for further details.

## Obituary

Sadly, another veteran has passed away. David Marshall lost his fight with ALS (Lou Gehrig's Disease) on August 29, 2005. David had been a guest speaker at our general meetings in the past, the last time being the June 2004 GM. You can find a brief biography of David's World War Two Army service in the March 2004 Antenna, and his photograph along with some of his war time reminiscences are featured in the June 2004 Antenna.
