

You are invited to participate in and support the REGINA SCALE MODELLING EXPO to be held at the Saskatchewan Science Center, 2903 Powerhouse Drive, Regina on September 17th - 18th, 2022.

This weekend will see a large range of highly detailed models of aircraft, figures, automobiles, armour, space and science fiction subjects, and the occasional “novelty” subject. Model subjects are judged on the basis of basic construction techniques as well as realism and historical accuracy. There are three age categories: Junior (12 and under), Intermediate (13-17) and Adult (18 and up). Competitors from across Saskatchewan and from as far away as Saskatoon, Edmonton, Calgary and Winnipeg come to take part in this event. On Saturday and Sunday the public is invited to view the display at no charge. Regina Scale Modellers, a chapter of the International Plastic Modeller’s Society (IPMS) invites you to participate in this event by sponsoring awards for the contest, which will assist in making the Expo a success, and allowing you this unique opportunity to be associated with creativity and accomplishment.

Sponsorships are available at three levels:

CRYSTAL AWARDS (\$100 each):

With this sponsorship your company will have your company logo and name engraved on the crystal award, as well as a quarter page ad in our EXPO Edition newsletter, which is

sent to all of our club members, all contest entrants, and to all sponsors. Also, your sponsorship will be announced as the award is handed out at the end of the show. A list of these awards can be found on the back of this brochure.

COMMEMORATIVE AWARDS (\$50 each)

These awards are given to overall winners as well as to commemorate special milestones in history that are of interest to model builders. With this sponsorship your company name or logo will be displayed on the award, as well as a business card size ad that is included in our EXPO Edition newsletter. A list of these special awards can be found on the back of this brochure.
